

# Ultrafast Full Fibre Is coming soon.

**Great news** – we're bringing Ultrafast Full Fibre broadband to your building. Register your interest at [www.openreach.com/ultrafast](http://www.openreach.com/ultrafast) and we'll let you know when Ultrafast Full Fibre is ready to order.

- **It's 10x faster\*** - ultrafast speeds of up to 1Gbps†
- **It's 5x more reliable\*\*** - an end to buffering and dropouts
- **Use more devices at once** – use multiple devices even during peak times
- **Free to choose** – we'll always give you the largest range of service providers in the UK
- **Switch without a hitch** – you could upgrade to Ultrafast Full Fibre broadband straight away, even if you're in contract.

## What to expect

You'll see our engineers working in communal areas between 09:00 and 17:00, Monday to Friday. They'll be finished within a few weeks – then you can place an order with your chosen provider, and you'll be ready to enjoy broadband that's better than ever.
